Further Extension For A.P.C.

Altona Council has granted Altona Petrochemical Co. Ltd. another 14 days in which to stop noise and offensive odour emissions.

The city's Chief Health Inspector will inspect the company's plant each day and Council will again consider the matter at a special meeting at 7.30 p.m. on June 2.

The company will be asked to furnish Council with a report on steps it has taken at the end of the 14-day extension period.

On April 16 Council served an order on the company under Section 44 of the Health Act to force it to abate the nuisances. A 14-day extension was granted, to expire on May 14, but since then the company has issued a report to Council.

The report stated that Dr. W. H. Lang, an American environmental control expert from the Esso Research and Engineering Co., had arrived in Melbourne to study the company's problem.

The company said it was continuing efforts to improve operations and minimise any possible air or water contamination.

"During the past fortnight the Senior Health Inspector and his assistant have continued to inspect our premises daily," the company said.

"Their report shows, I believe, that our standard of operation has been very high:

However, we have continued to receive complaints that are completely unjustified.

"On at least two occasions we have been able to prove to the satisfaction of your inspectors that these complaints were not caused by A.P.C.

"I am very concerned about the unfavorable publicity that A.P.C. — and Altona — have received in the past several months and request that the Council help to ensure that the local residents are aware of all the facts."

The company listed a number of projects it had undertaken to improve conditions at its plant. These included a smokeless flare, cool waste water effluent, improved oil separator operation to reduce odour, a noise survey, and general repair and improvement of equipment.

The Minister for Health asked the Council to inform him of the operations at the Petrochemical plant which it considered contravened the Health Act.

The Minister said he had been advised that the Council was taking legal action to abate the nuisance caused by the company.

"In these circumstances it would be inappropriate for an

investigation to be carried out by officers of my department, at least until these proceedings are finalised," he said.

"To the knowledge of my department the Petrochemical Co. Ltd. has sought and obtained all necessary approvals in relation to the Clean Air Act, and the provisions of the Health Act in relation to the discharge of all liquid trade waste."

Council will forward its reasons to the Minister supported with two recent petitions and a report by the city's Medical Officer of Health condemning the company.

At the suggestion of Cr. D. K. Grant, the Council decided to meet Dr. Lang next week to discuss pollution problems.

Cr. Grant said he had spoken to Dr. Lang, who agreed to meet the Council if a suitable time could be arranged.

CHARITY THANKS

The Freedom from Hunger Campaign, the Royal District Nursing Service, Melbourne Legacy, and the Victorian Association for Deserted Children have thanked Altona Council for its donations.

A request for financial assistance from the Braille Society of Victoria has been referred to next year's charity vote.

To Estimates

A suggestion that Altona Council acquire land at the corner of Millers Road and Esplanade to improve safety at the intersection has been referred to the Council's Estimates.

Council was told that the cost of acquiring the whole site would be \$12,500, but part of the area could be acquired for about \$2,500. This would allow the corner to be splayed.

A proposal to widen Queen Street, between Bent Street and the right of way 150 feet west has also been referred to Estimates. The cost of widening the road pavement by six feet would be about \$1,000.

LOW RENTAL FLATS

More than 50 elderly citizens attended a meeting last month to learn about the Housing Commission's work in providing low rental units for elderly people, Mrs. L. C. Carruthers, Altona's Home Help Supervisor, told Council last week.

Mrs. Carruthers said Mr. John Cleary, the Commission's Estates Officer, addressed the meeting on methods of applying for a unit, conditions of eligibility for acceptance by the Commission and details of the types of units being erected.

Cr. J. I. Stewart asked that the Council's thanks be sent to all concerned with organising the meeting.

HOCKEY HONOUR FOR VI SMITH

A husband, six children and a home have not dimmed the enthusiasm for hockey of Mrs. Vi Smith who has been made the first Life Honorary Member of the Altona Ladies' Hockey Club.

She began playing hockey as a teenager and for most of the past 20 years between being married, having children and caring for her family she continued to play, coach, umpire and take executive office with the club.

Her interest began when she commenced playing in 1949.

In the second half of the 1950's she was fully occupied with her family but in 1961 when her twin boys were three years of age she was back on the field.

After the arrival of another baby in 1962 Mrs. Smith was playing six weeks later.

She finally retired from the field after five games in the 1969 season.

During the period 1961-69 she played in the finals of five seasons.

Twice her team was beaten in the semi's, twice in the grand finals but in 1962 won the B Grade premiership.

In 1964 she coached the C Grade team which finished the season runners-up and in 1965-66 she was captain-coach.

This year she is coaching the B Grade team.

Mrs. Smith has helped with introducing hockey into school sport. She coached the Altona High School girls in 1960 until teachers took over the job.

From 1966-69 she coached

pupils at Altona and Seaholme primary schools.

She holds the State B grade badge for umpiring—her family kept her too busy to undertake the preparation necessary before gaining an A Grade. In any case the Altona ladies have not had a need for one as the club has not fielded an A Grade team.

As a club member she has held every position from "ball boy to president."

For a number of years she was secretary, served terms as president, social secretary, delegate to the Victorian Women's Hockey Association and was an active member of the social committee.

Husband Lionel also has been a keen hockey player—his last match was in a 1964 premiership team.

Now the children whose ages range from 14 months to 14 years are appearing on the hockey playing fields—14-year-old Susan plays with a school team and 11-year-old twins, Malcolm and Michael, play with the Under 12 team which last year won the premiership.

The younger children all play with hockey sticks, even the 14 months baby can hold a stick in one hand and uses it to push along his football.

Mines Dept. To Meet Council

The Minister for Mines has agreed to a meeting between officers of his department and Altona Council to discuss an ethane pipeline across the bay.

The Minister for Fuel and Power told Council on Tuesday that a revised route for the pipeline from the beach through Altona had been incorporated in the pipeline permit.

The Minister said welding the pipe joints was "a highly skilled operation carried out under the most stringent conditions."

"The Government, after very careful consideration of advice given by a number of responsible authorities dealing with the aspects of safety, construction, pollution, etc., decided that as ethane was a gas which would escape harmlessly into the air and would not cause any pollution either to the water or in the air if a break in the pipeline occurred, the issue of a permit for this particular pipeline should be granted," the Minister for Fuel and Power said.

PETROCHEMICAL COMPANY

POLLUTION CONTROL

Dr. W. H. Lang, an oil industry environmental control expert from the U.S.A., is at present in Altona to study and report on pollution and nuisance control at the Altona Petrochemical plant. He comes from the Esso Research and Engineering Company in New Jersey.

At a press conference last week, Dr. Lang gave a resume of the present state of air and water pollution in America.

He answered questions concerning various aspects of the problem in Australia and particularly in Altona.

His assignment here is to review and advise on the current programme of pollution and nuisance control at the Altona Petrochemical Co. Ltd. in Altona.

A specialist in environmental control, Dr. Lang obtained his Doctorate in Sanitary Engineering and Chemistry in 1940 from the State University of Iowa and is a registered professional engineer in the State of New Jersey.

A member of several American Petroleum Institute committees on environmental control, he is chairman of the Sub-Committee on Oil-Water Separation.

Since joining Esso in 1947, Dr. Lang has carried out environmental control studies and project designs for plants in many parts of the world, including the United States, Canada, Central and South America, Britain, Europe, Indonesia and the Philippines.

Dr. Lang (58) was born in Washington, Pennsylvania, and was Chief of Recreational Sanitation at the Bureau of Parks in the Department of Forests and Waters of Pennsylvania and worked as a technical writer

on an engineering journal before joining Esso. He is married with one son aged 27.

In answer to questions Dr. Lang said that pollution regulations in America were in "a state of flux." But he indicated that the pollution laws operating in Altona were far more stringent than those in practice in America and other parts of the world.

He emphasised that his approach to the problem was definitely objective. The prime factor was not cost but necessity.

He recounted some instances of environmental pollution in America and said that no where had he seen their counterpart in Altona or elsewhere in Australia.

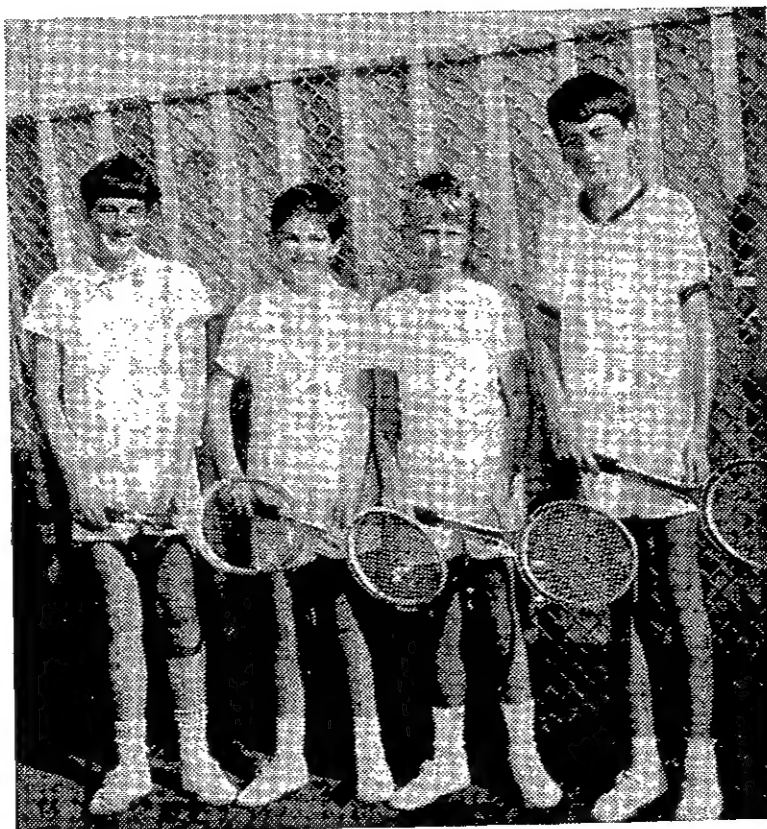

No Pick-up Of Cars

Altona Council will take no action on an offer by Flemington Pick-up Services to collect abandoned cars and car bodies and tow them to the Council's storage depot at a cost of \$4 per car.

The company offered to dispose of any cars without cost to the Council.

Mr. R. Simmons, City Engineer, told Council a local contractor was providing Council with a similar service.

Tennis Champions

One of Altona's younger boy's teams playing in the Western Suburbs Under 19 summer competition won a pennant this year. These four lads (from left) Michael Groves, Greg Scott, Peter Forster and John Bennett, defeated a team from Spotswood to win the flag for Section 3.

These girls, members of Altona's top junior tennis team, playing in the top section of the Under 19 summer pennant competition in the Western Suburbs, carried off the flag by defeating Liston-Esplanade in the final match played in April. From left to right they are Yvette Robertson, Lesley Hyde, Robyn Webb and Jennifer Wise.

EDITORIAL

POLLUTION AND DANGER

The varied industries of the petrochemical complex did not come to Altona by chance. They mainly came because in some way their interests were associated with the oil refining process.

Their near conjunction in Altona and Williamstown was for purposes of economy and efficiency. New industries of the same type can be expected. Oil brings oil.

Residents of Altona and Williamstown are aware of and appreciate this fact. They also know that the industries concerned contribute substantially to the revenue of both cities and provide certain opportunities for employment. They would also agree that these industries, in general, have civic minded management which has been of local benefit.

As well, there has been a certain amount of pollution — pollution of air, stream and noise, and some risks of fire and explosion.

This pollution could well be divided into two areas. Pollution of long standing, more or less accepted as a natural result of this type of industry. Our citizens and our councillors should require here that the incidence of this pollution should consistently be reduced by technological progress.

New or additional types of pollution are another matter. Here there should be no latitude. If it is pollution that has not occurred before it can be prevented if necessary by the use of authority.

In addition, the fire risk is not negligible. All these industries, in their own and community interest, do appear to be taking necessary precautions and procedures. Williamstown residents are, however, certainly justified by their own experience in opposing oil storage until they have positive assurance against fire risk.

Sites For Guide Hall

Altona North Girl Guides will be asked to comment on four possible sites for a guide hall suggested by Altona Council.

The sites suggested are on the reserve fronting Marsh Street, on Bond Reserve, on an unmade private street near the eastern boundary of Bond Reserve, and on an unmade section of Marion Street near the south-west corner of Cooper Reserve.

Door Knocks Are Out

Altona Council will inform the Queen Victoria Hospital Jubilee Building Appeal and the Salvation Army that it does not allow door knocks, but will allow the delivery of self-addressed envelopes to houses for return postage of donations.

Mr. Herb Elliot, on behalf of the Queen Victoria Hospital, told Council the appeal planned to sell booklets by television personality Eric Pearce on July 26. The Salvation Army's appeal was planned for July 5.

DOW CHEMICALS PRESENT CHEQUE TO ELDERLY CITIZENS

Dow Chemical (Australia) Limited presented a cheque to the Altona Elderly Citizens' Club in recognition of the Altona Plant having completed 1½ million man hours without a lost time injury.

The cheque was accepted by the Mayor of Altona, Councillor P. A. Burns on behalf of the Elderly Citizens.

Photograph shows the Mayor accepting the cheque from Bruce Marold, a shop steward from Dow.

Injections For Measles

Arrangements have been made to conduct special measles vaccination sessions at the Civic Hall and the Altona North Youth Hall during June, September and November. Mr. J. Mellors, Altona's Chief Health Inspector, reported last week.

Vaccinations are for pre-school children. Details of vaccination times and dates will be advertised.

Mr. Mellors said tuberculosis testing and B.C.G. vaccinations had started in schools in the city.

Registration Approved

Altona Council has approved the registration of the following premises:

J. and J. Coleman, Ross Road, milk bar; and D. Pavanis and A. Sougleris, Railway Street, fish shop.

No Footpath Yet

Altona Council will tell Mr. A. K. Stubbs, Civic Parade, that it prefers to construct footpaths after sites are developed.

Mr. Stubbs asked Council to consider completing the footpath at the eastern end of Civic Parade, immediately west of the railway crossing. He said it was necessary for people to cross the railway line on the road, causing a traffic hazard.

Cr. W. L. Crofts said the Councils preference came from the damage caused by heavy trucks going across the footpath when building sites were being developed.

Mr. Stubbs also asked Council to acquire the triangle of land adjacent to the railway for a children's playground. He said the low-lying site was untidy and an eyesore.

Council will ask the owner of the land if he has any plans for the block.

Information Signs

Altona Council will erect signs adjacent to Queen and Merton Streets to inform the public of work being undertaken in the Altona Meadows subdivision.

The signs will read: "City of Altona. Development of the old subdivision in Altona Meadows is being undertaken in stages by the Altona Council. Approximately 840 lots will be available for home building in the area north of Queen Street. Erection of buildings is expected to commence in the area north of Alma Avenue in the latter part of 1970."

Should Be Electrified

Electrification of the railway line to Werribee should be undertaken at an early date said the Minister of Transport, Mr. V. F. Wilcox, in a letter to the Hon. A. W. Knight, MLC.

Mr. Wilcox said:

"I refer to your letter of 13th April, 1970, in which you write about representations made to you concerning the electrification of the railway line to Werribee.

"The Metropolitan Transportation Committee has, as you know, submitted a report to the Government recommending improved transport facilities for Melbourne and its environs.

"One of the recommendations made by the committee was that the line to Werribee should be electrified and that, should development in this area be as predicted by the Committee, new stations should be added to the line. These stations are mentioned in the Plan — no doubt you have already received a copy of the report of the Committee and particularly the Volume which contains the Plan.

"I agree with you that this work should be done at an early date, and I hope I can count on your support to see that the necessary funds become available."

Seaholme Primary School Question Liberal Candidate

The Seaholme Primary School Committee touched on a wide range of general and local education problems in a questionnaire to Mr. W. McDonald, Liberal candidate for Melbourne West in the Legislative Council.

To the points raised by the Committee (printed below in bold) Mr. McDonald's replies give a concise view of Liberal policy.

More funds for education.

The Bolte Government has increased grants for education every year rising from 25% of the budget in 1955 to 43% of the budget today.

Abolition of the Subsidy System to be replaced by an adequate grant to be spent as required by Committee and Principal.

This has already been implemented in the policy speech.

Improvement in Staff Amenities.

The policy speech stated allocations of \$2,000,000 would be made available for better staff room improvements immediately.

Better co-ordination between Public Works Department and Education Department.

By the establishment of regional provinces within the Education Department as outlined in the policy speech much better co-ordination and swifter action on repairs to schools will result.

State Aid.

All children are Australian citizens and as such are entitled to an education. If no assistance is forthcoming to independent schools they would have to

close and here in Victoria the State would have to provide education for 110,000 primary school pupils and 70,000 secondary school pupils.

The cost of educating children at primary school to the Government is \$291 per annum and at high school \$490 per annum.

The State would have to bear all of these additional costs if it did not make grants to independent schools which currently amount to \$20 per child in primary school and \$40 per child in secondary school.

Establish a Teachers Training College in the Western Suburbs.

The Government has recently made a grant of \$13,000,000 for Teacher Training Colleges. This has been a priority issue of every Liberal candidate in the Western Suburbs. The above grant would indicate that this urgent priority will be attended to in the near future.

More rapid improvement in staffing in Secondary Schools.

Recent legislation which was opposed by the Labor Party will enable the Government to not only improve the numbers but also the qualifications of secondary school teachers.

Build a Technical College at Laverton or Werribee.

The Education Department is already considering these proposals.

"UNITE TO COMBAT POLLUTION"

A Deer Park man has called on Western Suburbs councils to unite to combat pollution.

In a letter to Altona Council on Tuesday, Mr. W. Simon, of Verdant Avenue, Deer Park, said he would like to see local councils elect two members to a Western Council Pollution Committee.

He said two members of the public from each municipality should also be appointed to the committee.

"This would permit the committee to pool its resources, and thus become a major single authority in the Western Suburbs of Melbourne, with power to prosecute offending proprietors," Mr. Simon said.

The Council noted Mr. Simon's suggestion and will thank him for his interest.

Support For Control Of Child Care

Altona Council will support the Association of Child Care Centres in its bid for a higher standard of child care centres.

The Association asked the Council to seek legislation to bring all child minding for financial reward — whether of one child or more — under Health Department supervision.

It also seeks Health Department registration of all persons employed as child-minders, baby sitters and mothercraft nurses so a source of suitable staff is available and properly controlled.

The Association wants legislation to prevent the registration of child minding centres with a capacity of less than 15 children unless special Health Department approval is given.

Mr. and Mrs. C. Williams of 17 Rayner Street, Altona have pleasure in announcing the engagement of their only daughter Suzanne, to Ian, second eldest son of Mr. and Mrs. L. Cocks of Chadstone.

Mothers' Club Meeting

Seaholme Primary School Mothers' Club will meet next Monday, June 1, at 1.30 p.m. in the school library. New members always welcome.

Ladies' Guild Meetings

The St. Eanswythe's Ladies Guild meeting will be held at the home of Mrs. Brooks, 37 Davies Street, Altona on June 3 at 8 p.m. The Kraft cheese afternoon will be held at the home of Mrs. Lamb, 14 Cain Court, Seaholme on June 3 at 1 p.m. Entrance is 50c, including door prize and afternoon tea.

All are welcome to attend and proceeds will go to the new church furnishings.

WOOLLEN PARADE

Following closely on the success of its recent production, "The Wild Goose Chase", the Altona Drama Group staged a show of a different kind at the Altona Civic Hall on Monday evening, May 25.

This was a parade of woollen fashions, embodying the latest trends in Australian and overseas woollen garments. Villawool, one of Australia's largest distributors of wool, flew forty-six garments over from Sydney. Among the range were suits, scarves, dresses, slacks, cardigans, poncho, vest, etc. in a variety of modern and attractive styles.

Models from the Drama Group included Gwladys Winfield, Gloria Shanks, Mary Standen, Carolyn McGuckian, Joanne Shanks, Shirley Kean, Barbara Freebody, Gillian Walker, Jan McGuckian. Men's wear Moore, Stuart Colvin, Colin was displayed by Steven Hillman.

Models were introduced by Mrs. Margaret Wylie, of Altona Toyland, from where further details of the garments can be obtained. Among the interested spectators were the Mayor and Mayoress of Altona, Councillor and Mrs. P. A. Burns.

This is the third year in which the Drama Group have held this parade, and its popularity is proof of the interest in knitting or crocheting fine garments among the ladies of the Altona community.

Altona Square Dance

A surprise visit to the Altona Square Dance last Thursday was paid by Eric Clarke and a group of dancers from Frankston and they were enthusiastically welcomed to Altona.

The supper break was used by David Webster to show slides taken at the club's recent visit to Warburton. Birthday greetings were extended to Keith Paterson, one of the stalwarts of the Altona Club.

The square dance is held every Thursday night in the Youth Hall, Civic Parade, Altona to the calling of Hooper from 8-11.15 p.m.

MISS APEX ENTRANTS ENTERTAINED

Entrants in the Apex Club's Miss Altona Quest 1970 were guests of the Mayor and Mayoress, Cr. P. Burns and Mrs. Burns, at an afternoon held last Sunday in the Mayoral Chambers.

The girls present were Lynette Chamberlain, Barbara Anne Kersley, Ellen Barrow, Christine Mandies, Shirley Ivory, Jackie Arthur, Lynette Velnoweth and Corrie Noordenne.

Cr. Burns expressed his thanks and the thanks of the City to the entrants for their willingness to participate with the Apex Club by giving their time and efforts to raise funds for the District Hospital and other Apex Club community programs.

Later in the afternoon the entrants were taken on a tour of the Civic Centre.

Miss Altona Apex Quest

An entrant in the Miss Altona Apex quest this year, Miss Christine Mandies, 50 Noordenne Avenue, Altona, will be holding a nick nack party this Thursday night, May 28 at 8 p.m. at her home.

Anyone is welcome to attend. For further information please ring 398-2325.

Have Your Car Washed

Boys at the Altona Youth Club will be working all day this Sunday to raise funds for the Club.

They will wash cars for anyone who would like to take their car along any time during the day.

Large Litter For Tiny Dog

The tiny Chihuahua owned by Lyndalle, Jim and Phillip Heiner of Rayner Street, Altona, had a near record litter of six pups last week.

Usual number is four or five and the record is seven.

SOCIAL EVENING

A Spastic Aid social evening will be held on Friday night, May 29, in the Youth Club hall, Civic Parade, Altona.

It will be an earlier start than usual, at 7.45 p.m. Entrance is 50 cents. Hostesses will be Mesdames Curnow and Tester.

Winner of the fur fabric white dog was Mrs. C. Rees, Railway Street, Altona.

Altona Camera Club

A most interesting illustrated lecture on "German Photography" was enjoyed by members of the Altona Camera Club at their last meeting.

This Thursday, May 28 the combined Footscray, Williamstown and Altona Camera Clubs' competition for black and white prints also colour slides will be held at Footscray Town Hall at 7.30 p.m. Mrs. Grace Lock will be guest and judge for the night.

Because of the combined competition there is an extension until Friday, May 29 for entries in Altona's May competition, "Night Scene".

The Altona Camera Club meets every Friday of the month (except the first) in "The Homestead", Queen Street at 7.30 p.m. Ring 398-1937 for further details.

Legal Advice On Dust

Altona Council has referred consideration of legal advice on prosecution of the SEC for dust nuisances from the briquette depot to the first meeting of its General Purposes Committee after May 31.

BLINDS FOR CENTRE

Altona Council will obtain a quotation for the supply of blinds at the Murphy Street Infant Welfare Centre, Altona North.

The Kindergarten Auxiliary told Council curtains supplied by the original committee nine years ago were perished and needed replacing. It suggested that blinds were more suitable than curtains and offered to donate \$50 towards the cost.

The Town Clerk, Mr. J. W. Waters, told Council three identical Infant Welfare Centres were completed at the same time, and curtains at the Collins Avenue and Somers Parade centres would probably need replacing also.

Rotaract

All members of Rotaract are asked to attend the Committee Meeting at 7.30 p.m. this Friday evening, May 29, at the Altona High School.

— Responsibility for election comment in this issue is accepted by K. A. Neyland, editor of the Altona Star and Williamstown Advertiser, 101 Pier Street, Altona.

Mothers' Club Functions

The next meeting of the Altona West Primary School Mothers' Club will be held at the school on Thursday, June 4, at 8 p.m.

A demonstration on modern living will be held at the home of Mrs. Jan Hudson, 11 Cowra Street, Altona. The demonstration will follow lunch at 12 noon, on Monday, June 1.

Mothers wishing to go on the shopping spree at Doncaster Shopping Centre on Wednesday, July 1 or the Fashion parade and luncheon at the Chevron on Wednesday, August 5, but have not yet put their names in, are asked to contact Mrs. Shirley Haining on 398-2353.

High School Mothers' Club News

At the recent street stall conducted by the Altona High School Mothers' Club, winner of the special effort was Mrs. N. Bonnett, 74 Rose Street, Altona.

The Mothers' Club June meeting will commence at 1 p.m. on Tuesday, June 2, to be followed by an England fashion demonstration on "Drafting the Easy Way".

The social afternoon will be held as usual at the Homestead, Queen Street, on Monday, June 1 at 1.30 p.m. All are welcome to attend.

Altona Primary School

Because of the children not having to attend school on Thursday, May 28, the usual Beetle Afternoon, held in the Homestead, has been cancelled.

On Wednesday, June 3, at 1.15 p.m. sharp, at the school will be a meeting to be followed by the Mardi Gras demonstration. Members are asked to bring along afternoon tea. Mothers of school children will be most welcome.

Don't forget it's "Doll's Clothes" for the Bazaar at this meeting.

Ilene Dover

Knock knock! Who's there? Ilene! Ilene who? Ilene Dover.

This was a party game of bygone years which is more or less in popularity at the present time. Popularity has extended to Pier Street and Queen St. commercial areas in Altona, where frequently the knock sound is heard as cars back into the posts which carry litter bins and the posts which carry parking signs.

There is not an upright post or pole adjacent to the kerbline, or perhaps, to unauthorised "U" turns, or perhaps to just plain bad driving or backing?

The rakish angles of posts and poles, which are far from perpendicular, contributes to visual pollution of the environment of that area. Council is faced with the expense of straightening, replacing and repainting. Meantime, the Knock game goes on.

Val's Column

Hello Girls,

Oh, to be blonde! How would you look as a redhead, or beautiful streaks? Yes, the answer is so easy now. With a wig. Peta and Celebrity Wigs. So natural, sleek or wavy, without ever needing to be set. No rollers, no pins needed. Four styles to choose from. Short, layered, wispy or waves — that is 'Otero'.

Can't stand to have hair on your forehead, prefer winged sides? Well ask for "Lola". Long hair (Kanakelon fibre) girls? This 'swinger' wig comes with a pad. Presto, you become taller; wear it on crown, see yourself with swishing sides and tucked in back. So many variations.

Add to this a magic mini fall, or to your own hair. Mini Fall is all one length with built in curl on the bottom. Reverse this fall and presto, beautifully long with cascades of curls! And they are permanent.

Girls, you need no introducing to Celebrity's range — now inspect an even bigger range of styles and colours. From the softest white, steel blue grey, black through browns, reds to the palest blonde and two streaked colours.

Wig heads, massage brushes, wire wig brushes, handbag wigs, combs, Shampoo, conditioners, we can supply you. Have fun, have a wig, have two.

Our Real Girl has a Hi Light eyelighter, makes eyes larger, shows up contour. Shades away dark circles when applied under makeup. So glamorous. Summer beauty is fading away. Become alive again. Shimmer your cheeks, your whole face with Dorothy Gray Slick Stick. It's a gleamer! Translucent stick. Glide over makeup, or wear on bare skin. Face, arms, shoulders, neck or bosom. "Shadow" shade to erase; pink, blush to highlight.

A special girls — Satura lipstick and a moisturiser for the price of one. Creamy moisturising lipstick and vitamin enriched cream that protects all day. Ideal for dry and sensitive skins. Bye.

LIFE SAVERS HOLD THEIR PRESENTATION NIGHT

The Annual Presentation Night of the
Altona Life Saving Club was held in the
Life Savers' Hall last Saturday night and
was very well attended by guests, mem-
bers, parents and friends — one of the
largest attendances in recent years.

Guests of honour were His Worship the
Mayor and Mayoress, Cr. and Mrs. P. A.
Burns, J.P., and Mr. A. Frost representing
the Royal Life Saving Society and Mrs. Frost.

Among the other guests
present were the Deputy
Mayor Cr. D. G. Grant,
J.P., and Mrs. Grant, Mrs.
A. Kennedy, Secretary of
South Melbourne L.S.C., Mr.
and Mrs. J. Morgan, Secre-
tary and Minute Secretary,
respectively, of the Mel-
bourne and Suburban
Beaches Association, Mrs. J.
Eagland, Mr. H. Edwards,
a past President of the Life
Saving Club and Sgt. L.
Young, B.E.M., of the
RAAF.

Apologies were received
from Cr. H. Weaver, J.P.,
due to the illness of Mrs.
Weaver, Mr. J. Eagland
(illness), Mr. and Mrs. L.
C. Noordenne who left re-
cently for a holiday abroad,
and from representatives of
P.R.A., A.P.C. and A.S.R.
Best wishes are extended to
Lorna and Jim for speedy
recoveries.

Mr. J. Byrne introduced
Club President Mr. Roy Ed-
wards and welcomed the
guests to the Presentation
Night.

Mr. Edwards thanked Cr.
and Mrs. Burns for their
presence, also all other
guests and friends who were
present to help make it a
successful evening. He also
thanked all donors for their
support. He then invited
Cr. Burns to make the pre-
sentations.

Cr. Burns said it always
gave him great pleasure to
attend the Life Saving Club
functions.

During his year of office
as Mayor he had attended
many youth functions and
had found the halls full of
young people enjoying them-
selves and he was sure
everyone in the community
were proud to be Altonians.

He congratulated the Life
Savers for the unselfish
work which they did for the
community and being a near
neighbour he often saw
them giving up their time
for training and patrolling
the beach.

Cr. Burns said he and his
fellow councillors appreci-
ated the work done by the
club and would do all they
could to assist the club in
carrying out its service to
the community.

Cr. Burns remarked on
the fine collection of tro-
phies to be presented and
said they were second to
none of any clubs he had
attended.

THANKS TO DONORS

Before announcing the
winners of trophies and pen-
nants Mr. J. Wall paid tri-
bute to the donors for their
generous support, without
which the trophies would
not be of such high value.

Since the Perpetual Tro-
phies were donated in 1959,
not one penny had come
from club funds for the pur-
chase or engraving of tro-
phies and this involved close
on \$100 a year.

The club also received
donations regularly from
P.R.A., A.P.C. and Rotary
and valuable assistance
from the City Council.

CR. D. K. GRANT

After presenting the club
trophies, Cr. Burns asked
his Deputy, Cr. D. Grant, to
present the beach event pen-
nant winners. Cr. Grant ac-
cepted and took the opportu-
nity of adding his congratu-
lations to the club.

AWARDS

Following the presentation
of trophies the Chief Instruc-
tor, Mr. R. Bailey, invited
Mr. A. Frost to present the
the Life Saving awards gain-
ed during the year.

Mr. Frost, Treasurer of St.
Kilda L.S.C., Deputy Chief
Examiner, Life Member and
a Vice-President for over 40
years has been a regular
representative at Altona's
Presentation Nights and An-
nual General Meetings for
several years either for the
Society or St. Kilda L.S.C.

He congratulated the win-
ners of the trophies but said
the Society attached more
importance to the gaining of
Life Saving Awards. At a re-
cent Council meeting it was
decided that awards would
take precedence over all tro-
phies.

HONOURS

Mr. Frost said that recom-
mendations from clubs for
awards to members were ap-
proved by the R.L.S. Council
at its last meeting.

Some of these awards had
to be approved by the Grand
Council of the Royal Life
Saving Society in London and
assuming the approval was
forthcoming he was happy to
announce that Club President,
Mr. Roy Edwards had been
awarded a Bar to the Recog-
nition Badge. Mr. Graham
Shanahan a Certificate of
Thanks and Mrs. M. Mellett
the Victorian Associates' Badge.

Finally, he was happy to
present the award recom-
mended to Mr. Jim Byrne
which had been received from
London. This was the Ser-
vice Cross, the highest award
in Life Saving.

He had known Jim for
many years and said he had
really earned the high award.
As a Vice-President of the
Society he congratulated him
and thanked him for the work
he had done for the Society
and for the club.

In response, Mr. Byrne
thanked Mr. Frost for the
presentation and kind words
and said he had enjoyed
everything he had done for
Life Saving.

Mr. Frost said he could not
recall a club gaining so many
honours in one year.

After a very enjoyable sup-
per the remainder of the
evening was devoted to danc-
ing.

THE WESTERN SUBURBS

In the 1960's the Western Suburbs showed a substantial increase in population and in valuation of its assets.

The Western Suburbs comprise the 12 municipalities of Broadmeadows, Brunswick, Coburg, Essendon, Footscray, Keilor, Sunshine, Williamstown, Altona, Bulla, Melton and Werribee.

These can clearly be grouped into three into (a) inner suburban cities — Brunswick, Coburg, Essendon, Footscray and Williamstown; (b) outer suburban cities — Broadmeadows, Keilor, Sunshine and Altona; and (c) shires — Bulla, Melton and Werribee.

Together these municipalities cover about 710 square miles or about 24% of the greater Melbourne area.

LOCAL GOVERNMENT STATISTICS

Local government statistics available give interesting details of the relative progress of the Western Suburbs and each municipality between the years 1961 and 1968.

POPULATION

In that period the population in the area covered by the greater Melbourne boundary increased by 21%. The Western Suburbs increased by 14%.

All the inner suburban cities except Williamstown show a decrease in numbers. Williamstown just maintains its figures.

The greatest increase took place in the outer suburban cities. Here Altona, with 66% led the way, Keilor coming next with 59%, Broadmeadows with 39% and Sunshine with 15%.

Substantial increases also took place in the shires. Werribee grew 48%, Melton 77% and Bulla 31%. In these shires there are indications that even greater growth is in course.

NET ANNUAL VALUATION

As a standard of material progress, some reliance can be placed on examinations of the relative figures for net annual valuation. These represent 5% of the value of all capital assets, land building and plant.

As could be expected the total asset value of the sundry municipalities has

doubled or trebled themselves over the years 1961 to 1968. Some part of this movement can be attributed to the decrease in money values, but the actual gain remains considerable.

If the net annual valuation in 1961 for greater Melbourne \$172,956,000 be stated as 100 that of 1968 would be 232. Accepting the same standard those of the Western Suburbs would be 100-236. On this aspect at least, the western suburbs are holding their own.

Sunshine, once known as the Birmingham of Australia, shows the greatest relative increase — 100-283.

Werribee comes next with 100-268 and then Altona 100-266. The other municipality vary from Keilor 260 to Brunswick 182. Williamstown has a N.A.V. equivalent on this basis to 198.

THE CURTAIN RISES

BY THISBE

What can you do in your spare time, if you live in Williamstown?

There are really quite a lot of dates to fill in on your calendar if you are interested in the Little Theatre.

The first most important engagement is on Saturday, May 30 at 8 p.m. at the Williamstown Technical School Assembly Hall in Kororoit Creek Road. Tickets are available at E. S. Marr's Music shop or through Mrs. Nell Colville 397-7812 who will take phone bookings.

This is a wonderful opportunity to see the Little

Theatre, Light Opera Company and the City Band and to help local charities without having to travel out of the town.

From June 1 to 6, Jason Savage is using our theatre for his "one man" show, "The Fun House of Edgar Allan Poe". Seats for this may also be booked at E. S. Marr and I am sure it will be an interesting night out for the family.

The weekend of June 27 and 28 has been set aside for cleaning up around the theatre. Any one who can spend a few hours during the weekend helping with the odd jobs should ring Graham Murphy at 397-7600 after hours.

Saturday, June 20, at the theatre will be a Barbecue and Games Night with fun for all the family. If you would like to hear more about it contact Mrs. Joan Lindsay 397-5095 (after hours) or Guys and Dolls, 397-6551.

The Annual General Meeting will be held at the theatre on Thursday, July 16. Subscribers are welcome at the meeting.

"The Duenna" will be staged from July 20 to August 1.

Central Altona Football Club

Centrals Under 18's, after matching Newport for the first half of the match on Sunday, faded badly to lose by nine goals.

The first half was characterised by hard physical clashes, players from both sides throwing themselves into the fray. The umpire however, had the game well under control and gave a good consistent display.

Peter Rogash battled hard in defence for Centrals all day and but for his effort Centrals' loss could have been greater. His determination and "never give in" attitude sets an example for the rest of the side.

Best: P. Rogash, I. Laffey, N. Boicos, L. Thwaites, J. Puopolo, R. Makinson. Goals: J. Kizan 4, W. Learey 2, I. Laffey.

Scores: Central Altona, 7-13-55; Newport, 14-17-111.

A basket-barn dance will be held at Lungshaws Reserve Youth Hall on Saturday, May 30, commencing 8 p.m. There will be many prizes including monte carlos, lucky spot, etc. B.Y.O. and supper. \$1 per head, children 20c. Everybody welcome.

SOME CAMPAIGN REFLECTIONS

By W. L. FLOYD, MP.

Well it's nice to know that the Western Suburbs will get a Teachers' Training College whatever the results of the election. After all the negative answers to the efforts of district Labor MPs over the past few years in Parliament, this appeared doubtful but it is noted the Liberal candidates deplore the deficiency and have promised to remedy the position. It is hoped this applies whether local Liberal candidates are returned or otherwise though some stress has been laid on the "need for an effective voice in government". This implies what has often been suspected — that Liberal Governments are not greatly interested in the voters in safe Labor Electorates.

Then, of course, the Premier has promised another \$15m. for education. What has been the hold-up in the past or

where is the new source of revenue. Increased taxes?

The Premier has also been saying on TV that the Liberals stopped the sewage going into the bay at Carum. Most people thought that the Government capitulated after Labor Member Ian Cathie organised widespread protests. He also stopped the pipeline under the bay. Yes that's right after a Cabinet revolt from the Liberal members from the area.

Sewage will still go into the bay at Altona because the Minister concerned has rejected the pleas of three strong deputations against the proposal.

It is hoped that the marvellous new trains which were announced so propitiously last week won't all be used on the eastern side of the metropolis because local Labor members have been seeking replacement of the "dogboxes" on the Altona line for years.

The Westgate Bridge has got a mention as part of Liberal progress but it is well to recall that the Bill to construct this would not

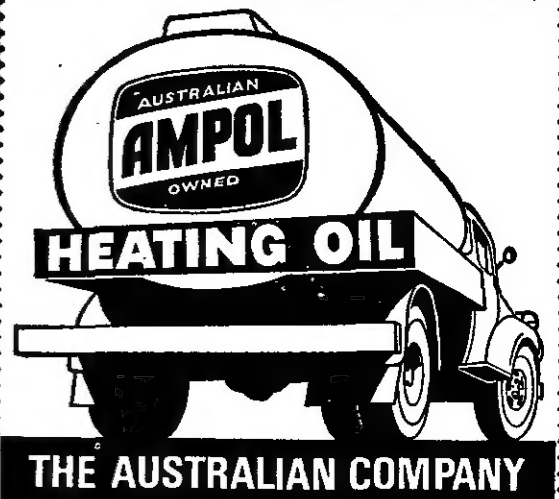

have passed without Labor support as the C.P. was not keen on it. The A.L.P. supported the proposal because it replaced the obsolete toll-ferry and there still remained the alternate route to the city without payment of a toll.

There's been little talk from the Liberals on the absolute necessity for the appointment of an Ombudsman who would have the power to force departments to investigate and remedy important grievances from ordinary people who don't rate highly with a strongly-entrenched Liberal Government.

Workers' Compensation machinery urgently needs attention. A local voter has been off work for months but his case will not be heard until August, 1971.

If the Bolte Government can survive after the things it should have done, and didn't, what hope is there that it will feel obligated to bother in the future.

**LETTER TO
EDITOR**

SIR, — Over the past weeks of the State Election campaign, there has been a crossfire of exchanges between parties on State Aid, the Moratorium etc. these issues appear to obtain priorities over the host of small issues that are affecting the daily lives of people.

The disharmony that apparently exists between Parliamentary chiefs and the Executive of the Labor Party, appears to have spread to the Western Suburbs, for many rank and file members are disappointed with the State Executive.

Mine is not a five minute association with the Western Suburbs, for my family's association with Williamstown has been from the time of the sailing ships. I understand the problems that exist here.

Pensioners, pollution and price rises, these three issues need to be given closer attention, for in them contain problems affecting every one of us, each minute of the day.

In Altona, there is more than a fair share of pollution, there is smoke, smell and sewage. Surely we have advanced from the times of the Industrial Revolution in the 18th Century, or have we?

Action does more than a thousand softly spoken words. There are many areas which need real vigorous representation; I will make no golden promises, only an assurance that I shall give of my utmost to represent to the best of my ability, all sections of the community.

Yours etc.

JOHN PRYOR WINS 37 MILE ROAD RACE

The 37-mile road cycling handicap conducted by the Williamstown Club over four laps of the nine and a quarter mile Sneydes Road circuit proved a triumph for the middle markers.

John Pryor and Tony Robson started off well and picked up George Sliker after 12 miles and at the halfway mark only had the limit markers Martin Reynolds and Winston Hendricks in front of them.

After winning the first sprint, Winston broke away to take out the second which made his task of holding off the pursuing bunch even more difficult.

Tony and John left their bunch and then caught and passed Winston five miles from the finish and remained together for the final sprint.

John hit the front 100 yards from the line and defeated Tony by six lengths.

Third placing and fastest time went to Leon Constantinou who conceded five minutes start to his nearest rivals, picked them up and rode through the field catching all but John and Tony.

Having only his third start in a race Winston Hendricks confessed after Saturday's event that he was unaware that he should eat prior to competing. So, beware boys, next up we could see the real Winston Hendricks with an impressive win not at all surprising.

RESULTS

37 Mile Handicap. — 1st, J. Pryor, handicap 10 mins., time 1 hr., 42 mins., 8 secs.; 2nd, T. Robson, 10 mins.; fastest and 3rd, L. Constantinou, scr., 1 hr., 37 mins., 20 secs.

Aggregate Progress. — L. Constantinou 83, J. Pryor 39, T. Robson 34, C. Robson 23, G. Salter 14, W. Hendricks 6, M. Reynolds 4, W. O'Brien 4, T. Reynolds 3, I. Salter 2, G. Sliker 1.

This coming Saturday a number of the boys will contest the Chalmers Watt Memorial 54 mile — the first open event of the season — which starts at

Craigieburn, completes five laps of a circuit with the finish at Craigieburn.

Robert Wouda, who is in Western Australia for the road season, has won two 40 mile club events to date and could be in for a good season.

South Thirlds Down Again

South Melbourne added another loss to their list when they went down to Hawthorn by 36 points.

During the first half, both teams were evenly matched, then Hawthorn gained a six point lead at half time.

Hawthorn goaled early in the third term and South replied with a goal from Kurth. Another three goals put Hawthorn further ahead, but South fought gamely, trying to close the gap.

Early in the last quarter, Hawthorn went into attack and goaled. Pasquill, Parker, Davis, Kurth and Stibbard goaled, but for each score, Hawthorn goaled in reply.

Hawthorn proved to be much stronger and steadier, but South kept trying and fought to the finish.

Scores: South Melbourne, 11-9-75; Hawthorn, 16-15-111.

Goal kickers: Kurth 4, Davis 2, N. Stibbard, Parker, Carrodus, Pasquill, Groves.

Best: Davis, Pasquill, Chalmers, N. Stibbard, R. Stibbard, Carrodus.

WESTGATE JUNIOR RUGBY

Under 12 — Sunshine Technical School, 27, d. St. Paul's Primary, nil.

Played at Links Street, Sunshine in ideal conditions, S.T.S. showed their improvement after some of their team were in Sydney with the Westgate tour. The St. Paul's boys are a quite young group who will fare well next season.

Referee: Mr. W. Forbes.

Scorers: Tries — W. Goring, D. Forbes, P. Darenki S. Tetlow 2, D. Tedge 2, A. Greig 2.

Under 1 — Westgate, 3, lost to Power House, 5.

Played at Footscray Park, this was an even game in which the visitors from across the river won by a conversion. Good defence on both sides kept would be scorers at bay. Referee: Mr. M. Davies.

Scorers: Try — J. McKendrick.

Under 16 — Westgate, 12, d. Power House, 6.

Played at Footscray Park, this was a game which gave selectors for the Under 16 V.J.R.U. State Training squad, an opportunity of comparing would be contenders. Many team changes were made and quite a lot of lads were given the opportunity of showing their capabilities. Referee: Mr. S. Lane.

Scorers: Tries — D. Mills, T. Manoussakas, P. Littlewood, S. Murphy.

Altona's W.S.F.L. Record Intact

By WARDEN JAMES

Altona City kept its unbeaten record intact and strengthened its hold on top position when it overwhelmed previously undefeated Newport by 35 points in Western Suburban League football last Saturday.

In a fiery, at times rugged match, Altona's ruck dominance gave them the edge.

Altona and West Newport, which had a walkover due to the late withdrawal from the competition of RAAF Tottenham are now the only two undefeated teams in the WSFL.

Their clash on June 6 should give an indication of the true strengths of both sides and will most likely be a preview to this year's grand final.

Because of RAAF Tottenham's withdrawal, the previous "bye" in the Open Age section has been eliminated and all teams which had a bye will now play the team scheduled to meet RAAF Tottenham.

Maidstone always had the edge over Laverton in a close exciting game. They led by 10 points at half time, increased their lead to 17 points at three quarter time, and eventually ran out comfortable winners.

In a surprise result Werribee, which replaced both centreman George Martini and centre half back Peter Kennedy at half time due to injury were beaten by RAAF Point Cook.

Werribee led by three points at quarter time, and were only one point down at

half time, but could not match Point Cook after the break and were beaten by 26 points.

Williamstown United's Brian Stewart contributed 10 goals off his own boot in a brilliant individual effort against lowly Brooklyn.

He was assisted by half forward flanker Keith Stanbury who kicked seven and fellow rover Shane Maddox, who finished with five, to give the side a mammoth 210 point win.

In Under 18, Altona A had to lower its colors for the second week in succession when it was soundly defeated by West Newport.

Newport was too strong for Central Altona, while the "dark horse" of the competition, Altona's B side continued on its merry winning way, this time at the expense of Laverton.

In Under 16, Newport and West Newport staged a thrilling neck and neck match before Newport ran out winner by six points, while Williamstown showed its supremacy over a battling Devon Park combination.

All members of his team wish him well in his new position out of the area.

The club hopes, if he returns to Williamstown, that he will want to rejoin them.

C. Corva had to win for his side to take out the match. After a six weeks lay-off, he came home, very well to win 3-1.

B. Warland, in a very tight game, received a nasty gash beside his left eye late in the fifth game and had to retire.

A trip to the doctor was necessary and four stitches was the result.

DEBUTANTE BALL

The Fifty Social Club has been granted concessional rates for the hire of Williamstown Town Hall for its annual Debutantes' Ball on August 21.

SWINGING WORLD

**With RON COLEMAN
THE WAREHOUSE PRODUCES
ORIGINAL MATERIAL**

Old groups split and new groups are forming all the time. New Melbourne group, The Warehouse, will hit the scene in a big way because they are writing very good songs.

The Warehouse does not wish to release names of any of its members for the time being. Suffice to say that the group is comprised of four dedicated (out of work) musicians, who are trying to "do their own thing".

Three of the guys have been together for a few months practising in a place they call "The Dungeon". Rest assured they are not in goal. The name came when the three realised they had been so busy practising that they had confined themselves to the place for nearly two months.

Until then you will be forced to wait with the rest of Melbourne for the tremendous sound of the Warehouse.

Win Yourself An L.P.

We still have a copy of Max Merritt's first LP waiting to be won.

Obviously we made the question too tough last time. This time it is easier.

Name the recent second release by Max and the boys. It was "Western".

Address all entries to "Swinging World", c/- Altona Star, 11 Pier Street, Altona.

Runners-up can win a free single by Isi Di or tickets to Garfield Speedway.

Behind The Scene

Local drummer, Wayne Ford, has transferred to hotel work — good move.

Another local talent, Julie Findlay, made an IMT appearance last week.

Top British guitarist, Eric Clapton, is recording with Howlin' Wolf.

Does the name Mick Diggle mean anything to you? It might soon.

How much longer will it be before Bobby and Laurie split again?

Julie from South Yarra was unimpressed with the people who attended the gold record reception for Ronnie Burns at the John Batman Hotel.

Ray and Peter from the Exchange feel that they are creeping ahead of the boys at A.M.B.O.

Lin Annabel of the Avengers fame is not too happy with Yours Truly.

Whatever did happen to that ghostly dance?

A group called Warehouse could be very hot property soon.

Clive Coulson has left Mecca. He is now back in England where he is road manager for Leo Zeppeling.

Where now Doug Parkinson?

Good news Swingers! We are about to experience a return visit by Sydney group, Heart N' Soul.

The Eureka Stockade (ex Groove) is getting a ton of work in London. Have they taken over from where the Easybeats left off?

Hess — New Group From Newport

I was wrong. There are a few local groups still operating.

One such group is Hess — a five piece band from Newport. You will be hearing about them on this page real soon.

Gossip From Williamstown And Altona

The students and ex-colleagues of Altona High wish to extend their heartiest congrats to good old "Schmo". Most are wondering when the party was, and where.

Stevie Chatfield must be sponsored by Dunlop. He often runs the length of Kororoit Creek Road at night in his rubber-soled shoes.

Another first for Altona. Recently certain members of the community chalked up the world's most expensive bus trip. The ride from Footscray to Newport cost them \$170.

June from Somers Parade is perturbed about all the publicity her hubby is getting. She thinks it is about time that Carol's mini dress rated a mention.

WIN FOR LADIES' HOCKEY

Altona Ladies' Hockey Club 8 Grade played Essendon at home on Saturday and won 2-1.

Until last Saturday, Altona have been struggling, even though they have some good players. They have not co-ordinated well and seemed to lack spirit.

On Saturday, right from the first whistle they played as a team and the result was good to see. They attacked unceasingly until Jillian Neale found the net with a nice shot. Half-time came with Altona in the box seat.

The half lines worked hard all day and kept the forwards attacking, but they failed to score. Altona backs played an almost perfect game and Kaye Sterling in goal did a good job with the few balls that did get through to her.

Altona attacked again and a penalty bully was the result of this effort. Sabina Stohl took the bully and netted again. Soon after, the final whistle went with Altona the winners.

Best players: Kaye Garlick, C. Reff and C. Hitchcock.

KOORINGAL GOLF CLUB ASSOCIATES

(MAY 26)

Medal: M. Cox (31), 71 nett. A Division: J. Parkinson (18), 73 nett.

36 Markers: A. Jordan, 77, on a comeback from I. McLay.

Putting: G. McDiven, 28 putts, on a comeback from I. Oatway and H. Menzies.

Altona City Too Strong In W.S.F.C. Match Of The Day

Altona City after a slow start proved too strong for Newport in the W.S.F.C. match of the day played at Newport oval in sloppy conditions. Final scores were Altona City 15-13-103, Newport 10-8-68.

FIRST QUARTER

Altona won the toss and kicked toward the railway end. Play opened up with both sides determined to play pressure football for the full 100 minutes.

Newport were coming down the grandstand flank and creating a loose man on the forward line. Newport had three goals on the board before Richie Zapart, Wes Jenkawitz and Danny Brennan blanketed the Newport half-forward line, thus cutting off their avenue to goals.

Ron Schwabe was having difficulty marking the greasy ball on the forward line and only a much-needed goal by Peter Brennan put Altona back into the fight at quarter-time.

SECOND QUARTER

After a short but fiery quarter-time speech from coach Dell York, Altona started a methodical comeback in the second quarter.

Graham Brennan, who has been out of touch in recent games, began to dominate the centre and with valuable assistance from Austin Molloy and Laurie Egan, began to get the ball moving to Altona's forwards.

Two great goals from the new look Steven Chatfield and majors from "Darby" Munro, Laurie Egan and Peter Brennan opened up the way for Altona's eventual win.

This quarter was a typical Altona-Newport clash with the occasional flare-ups, fierce tackling and bumping by both sides, but the crowd were enjoying every minute of it. At half-time Altona had turned a 15 point deficit into a 12 point advantage.

THIRD QUARTER

The third quarter opened with Philip Reid and Ron Lawson, who had been playing well, carrying injuries but were determined to play on.

Altona's followers were really on top in this quarter and the rejuvenated Ron Schwabe helped to lift Altona to better things.

Danny Brennan, whose opponent was much taller and faster, completely took over at centre-half-back and drove Altona into attack on numerous occasions.

Although Tommy Hogan was quiet in the first half two goals from this player demoralised Newport and at the same time lifted Altona.

Although some of the umpire's decisions were a little puzzling Altona fell for the old trick of answering back, thus incurring 15 yard penalties.

In this quarter Altona's backline, led by I. Harris, must be congratulated on the dogged way they kept Newport down to two goals.

FINAL QUARTER

City were not going to let this game slip from their grasp and continued to pressure the Newport side who were beginning to feel the strain of a hard game and a heavy ground.

Kevin Flett, who was giving his man about a foot in height and 2 stone in weight revelled in the going and won on his flank clearly all day.

Good goals from P. Brennan, Ron Lawson, Austin Molloy, Ron Schwabe and Laurie Egan saw Altona race away in the first part of this quarter to what looked like being an impressive victory, but complacency set in and quite a few players seemed to be waiting for the siren which allowed Newport to kick four goals in about as many minutes. But Altona, through the agency of their half-back line, rallied and were attacking when the final siren sounded.

In the rooms after Dell York congratulated the side on the way they had fought back and kept the pressure on Newport all day and this augers well for the games ahead.

Scores: Altona, 15-13-103; Newport, 10-8-68.

ALTONA STAR VOTES

G. BRENNAN 3 pts.
D. BRENNAN 2 pts.
I. HARRIS 1 pt.

Best: G. Brennan, D. Brennan, I. Harris, K. Flett, A. Molloy, W. Jenkawitz, P. Brennan.

UNDER 18 FOOTBALL

Altona City Under 18 "A" v. Newport West

Scores: Altona City "A" 8-11; Newport West, 21-11.

With greater all-round team balance, mobility and team play Newport West out-thought the Altona team even though many Altona players did well individually.

Skipper Ron Gordon dominated the centre bounces, Glen and Robin Morgan started some forward moves but teamwork was lacking.

Hurried kicking frittered away valuable opportunities needed to get Altona back into the game.

Congratulations to West Newport who started enthusiastically and carried it throughout the game.

Altona Rebels v. Laverton 'B' Altona Rebels, 23-20; Laverton, 3-3.

The game at Laverton started well with Altona Rebels dominating all over the ground and they kept this up for the duration of the match.

Necomers Johnny Baron played well on the half-forward flank and Frank Vanderpoel repeatedly turned Laverton's attacks. Ian Hardham played well in the centre as did Gordon Wilson at centre-half-forward.

Goals: Churchill 6, Van Dyke 4, Grego 4, Grainger 5, Haining 3, Blokkeerus. Best: Van Dyke, Churchill, Grego, Grainger, Hardham. Jeff Blokkeerus played his 51st game for the club.

DRAW FOR UNDER 18

Altona Under 18 "B" will play the team having the bye for that week. If "A's" playing at home Under 18 "B" will play away.

Therefore there will be a game of football at Grant Reserve every Sunday.

THE FUTURE OF JUNIOR FOOTBALL IN ALTONA

Interested parents and public are reminded that a gathering of all people wishing to keep under age football going in Altona, will be held at the clubrooms tonight (Wednesday, May 27). Aim: "How can we keep our lads playing sport?"

Ring 398-2848 or write to 12 Langford Street if unable to attend, but have an idea you can help in any way however small.

BREATHTAKING SOCCER AT ALTONA

Altona City and Box Hill served up the most entertaining game ever seen at Kims Reserve. It was breathtaking soccer — goal-mouth thrills, fiery clashes and plenty of missed chances at both ends.

To make matters even more thrilling extra time had to be played and when the final whistle blew the spectators, referee and linesmen applauded both sides off the field of play in a spontaneous show of appreciation for the valiant effort of 22 players who are still deadlocked after this nil-nil draw.

The replay will be at Box Hill at a date still to be decided.

Stuart Colbary made his senior debut for Altona, and showing signs of the Craig Copley style of play he will certainly be an asset to Altona.

The Maroons were first into attack in this game, but the 6-footers in the Box Hill team were giving nothing away and the Hillmen's forwards, who are also giants, started testing the Altona defence.

Ian Hynes, who must surely be the best sweeper in Victoria was playing a real captain's game. Jan Roberts, who has been in the doldrums lately, came back to his very best. Two or three saves were out of this world — superlative goalkeeping.

The skill shown by players in this game was uncanny with fast man to man passing. King, Kean and Loughran had a combination going.

Billy Savage almost netted a great goal as he latched on to a through ball to blast narrowly past the post.

The defences of both teams were good and it was obvious a goal was going to be hard to come by.

Chris Karanatos was shadowing Craig who is a dangerous forward for Box Hill and Chris was playing him right out of the game. At the interval it was nil-all.

The second half was a replica of the first. Hynes dominated, Copley and Colbary gave nothing away and how Billy Savage missed the ball completely (as it sat invitingly right on Box Hill's goal-line) will remain a mystery.

Roberts saved in spectacular fashion and the game saw-sawed back and forth at a fantastic pace. Encouraged on by a large crowd both sides gave of their best, yet at full time they were still locked together. An extra half hour's play was ordered. This was a real testing ground for tired players. With stockings rolled down and sleeves rolled up they set about each other as if the game had just begun.

The Maroons got on top for a time and then Box Hill held the initiative in a real "cliff-hanger" of a game. It was probably fitting that neither side managed to score being an even game and the show of appreciation at the end by spectators must have been ample reward to the players. The replay will certainly be a "cracker."

This weekend will see Prahman visit Altona in the League game. The Maroons have to keep winning to stay with the League leaders.

On Sunday, Altona, who are current Metro Cup winners, face Carlton at Kim's Reserve in the second round Metropolitan Cup.

This should be a good game as Carlton are doing well at the moment.

RESERVE XI

Altona came a "cropper" at the hands of Inverurie, Inverurie had six goals to Altona's three in their game.

Box Hill made a goal in the first half and with Tommy Allen dominating the centre the result was a 2-1 win for Box Hill.

Colbary was seen to be in a position to score but his shot was blocked by the goalkeeper.

Tom McEwan Fastest In Cycling

Young Tom McEwan of Altona took fastest time for the second week running in the 48-mile senior and junior handicap cycling race held on May 16, with a time of 2-8.30.

Winner of the race was T. Gorman with R. Showler second and T. McEwan third.

The 12-mile juvenile race was won by P. Barnes, with J. Threadgold 2nd and W. Gardner 3rd with J. Threadgold taking fastest time.

In his first ride as a junior after stepping up from juvenile, R. Crocker of Altona won the 48 mile Senior and Junior Handicap in the cycling races at Rockbank on Saturday. Winners time was 1.55.51.

Second was K. O'Malley and third R. Showler. Fastest time of 1.46.58 went to N. Provis.

Gardner of Altona was first in the 12 mile juvenile handicap, D. Self 2nd and G. Goldberg 3rd. Fastest time was G. Goldberg with 27.50.

Altona Lacrosse Club

On Saturday, May 23, Altona scored their first win for the season when they defeated Williamstown City, 12 goals to 6.

Goal throwers were: L. Marchant 3, R. Benedierks 3, F. Dekusel 3, J. Butkiewicz 2, R. Little.

Best and Fairest votes: J. Butkiewicz 3, R. Benedierks 2, R. Dickens 1.

Altona had a 9-all draw on May 9 with Caulfield, and on May 16 had a walkover from Eltham.

A barbecue was held on May 23 and the special effort for a coffee table, donated by Mr. G. Danger, was won by W. Nicholls from the Apprentice Training Centre. Ticket seller was R. Barrow.

Second prize was won by M. Green, 32 Mulga Street, Altona. Ticket seller was M. Danger.

JUNIORS

Although this team is a very young one they have been doing well and their match on May 9 was a 16-all draw, and on May 16 Altona had a 16-1 victory.

On May 23 Altona was defeated by Tottenham Technical School 14 goals to 4. This was a very good game under wet and muddy conditions.

Altona Methodists Basketball

A Grade had another win on Saturday against Wood Street and have finished the first round undefeated, 40-9.

A Reserves had a walkover.

B Grade combining well had a good win over Williamstown C. of C., 35-25.

B Reserve, defeated Wood Street, 48-42, as the scores indicate this was a close game. Good fast basketball was played by both these teams, Altona are now undefeated after the first round.

C Grade were far too strong for Gospel Mission and won 34-4.

NEXT SATURDAY'S MATCHES

A Grade v. Yarra/Cong. at Wembley, 1.45.

A Reserve v. W'town Congs at Seaholme, 3.15.

B Grade v. St. Marks at Mary St., 1.45.

B Reserve v. St. Marks at Seaholme, 3.15.

C Grade v. Yarra Baps. at W.Y.S.S., 1.45.

ALTONA WIN JUNIOR HOCKEY CARNIVAL

To conclude a wonderful day's hockey at Grant Reserve last Sunday, the Altona Under 16 team fought back magnificently from 2-1 down to defeat RHSOB 3-2 in the grand final of the Junior Hockey Carnival held at Altona for the Ford Cup.

For the first time in the nine years of this annual carnival run by Altona and open to all metropolitan junior teams, the coveted trophy has been won by a local team.

This win culminated a great day for the Altona Club. From just after dawn in a flurry of meat pies, ground markers, soft drinks and public address system until 4.35 p.m. when the Mayor, Councillor P. Burns, presented trophies, Grant Reserve was swarming with activity.

Two hundred and sixty hockey players kept four grounds occupied continuously for five hours until 2 p.m. when the finals began.

The President's Trophy in the Consolation final went to Melbourne who defeated St Kilda 2-1 in a very exciting game. But the best hockey was in the Altona v. RHSOB final for the Ford Cup.

Both teams were playing their sixth game and were very tired. Altona looked in a hopeless position when half way through the second half they were 2-1 down. But the large gallery, including the Mayor became tremendously excited as Altona scored to equalise, then scored again to win.

PENNANT RESULTS

A Grade were defeated by Greensborough, 5-2.

It is always difficult to win a game at Greensborough and Saturday was no exception. The muddy and uneven surface seemed to unsettle Altona but it was not until very late in the second half when Greensborough's experienced captain scored 2 goals, did the Burras seal the game.

Goalie Bob Verity who was away with the State team was missed in defence, although Wal Lenczyn, who played as a kicking back, tried desperately.

Harold Daerner playing in the side for the first time put in a good performance on the right wing.

Several players disappointed by showing little fight and making elementary mistakes in the closing stages of the game.

Goals: Cronin, Forrester. Best: Ford, Forrester, Bowden.

C North defeated RAAF, 4-0.

Playing down at the RAAF Academy, Altona had another good win. The conditions were shocking due to the previous week's heavy rain and the standard of play was poor. Most players wished they could trade their hockey sticks for spades.

Poor umpiring decisions did not help the frustrated players and led to a lot of verbal debate. Although Altona has a number of competent umpires in the team the fact remains that the man in white is right, so the best thing to do is play up and shut up.

Goals: E. McCauley 2, I. Bennett 1, K. Robertson 1.

D Grade were defeated by Ivanhoe, 4-1.

Playing with a patched up team of Under 16 and regulars, Altona did well to hold an experienced Ivanhoe side to 4-1.

Pat Shields starred as a kicking back with forwards C. Bruce and D. Heaney fighting to score to the very end.

Goal: R. Ericsson.

E Grade defeated Glenroy, 2-0.

Under poor conditions Altona got off to a good start
